

Simple Multiplication Worksheet #3 - 2

$8 \times \square = 48$

$2 \times \square = 6$

$7 \times \square = 21$

$5 \times \square = 5$

$8 \times \square = 72$

$7 \times \square = 49$

$8 \times \square = 24$

$8 \times \square = 40$

$2 \times \square = 18$

$3 \times \square = 27$

$5 \times \square = 25$

$3 \times \square = 12$

$5 \times \square = 20$

$7 \times \square = 21$

$4 \times \square = 28$

$8 \times \square = 56$

$2 \times \square = 12$

$1 \times \square = 8$

$4 \times \square = 24$

$6 \times \square = 12$

$1 \times \square = 5$

$2 \times \square = 10$

$5 \times \square = 15$

$4 \times \square = 16$

$5 \times \square = 35$

$2 \times \square = 16$

$8 \times \square = 72$
