

# Simple Multiplication Worksheet #3 - 5

$1 \times \square = 7$

$6 \times \square = 30$

$8 \times \square = 40$

$1 \times \square = 3$

$1 \times \square = 7$

$3 \times \square = 18$

$8 \times \square = 40$

$3 \times \square = 6$

$9 \times \square = 36$

$6 \times \square = 18$

$6 \times \square = 12$

$3 \times \square = 15$

$4 \times \square = 32$

$2 \times \square = 6$

$7 \times \square = 21$

$7 \times \square = 63$

$8 \times \square = 40$

$2 \times \square = 14$

$1 \times \square = 2$

$2 \times \square = 6$

$7 \times \square = 42$

$9 \times \square = 81$

$5 \times \square = 20$

$6 \times \square = 24$

$1 \times \square = 2$

$1 \times \square = 8$

$8 \times \square = 56$
